Payroll Deduction

Payroll deduction is an easy way for any employee of the North Kitsap School District to support the mission of the North Kitsap Schools Foundation. Support from NKSD employees sets an excellent example for alumni and businesses and improves our chances when seeking grants from public and private sources.

Donations from many people, regardless of size, can have a dramatic impact on educational opportunities in our schools. Contributions of any amount can be made by completing the Payroll Deduction Authorization form and submitting it to the NKSD Financial Services office.

Please visit our web site www.nkschoolsfoundation.org for more information about the North Kitsap Schools Foundation.

Thank you!
